

Albany Presbytery's mission budget supports this vital ministry which acts to overcome the prejudices and poverty that degrade and debilitate all members of our society, by building communities that celebrate diversity, achieve true mutuality and offer dignity and opportunity to all.

The Youth Empowerment Program enables youth to have greater control of their lives as they explore and internalize the concepts of self worth, leadership and democracy.

Education is a key component of RMM's commitment to strengthen the leadership of rural and migrant people and to raise the consciousness and support of their allies.

The Accompaniment Program works to develop and connect allies with efforts for rural justice, empowerment, and leadership development.
