

USE OF CHURCH PROPERTY

Approval by the Presbytery of the use of the property of a particular church is needed when one of the following circumstances exist: (G-8.0500ff)

- a) When the sanctuary is used regularly by an organization not associated with the church;
- b) When an organization not associated with the church uses any church property for regular worship purposes;
- c) When any church property is leased for a period of more than five years.

Applications for such approval should be forwarded through the Committee on Ministry of the Presbytery.
