

COM Strategy Group Congregational-Coaching Covenant

We as the local church covenant to:

- seek God's wisdom and guidance
- pray daily for this discernment process
- attend worship weekly and continuing to contribute to the life of this church
- commit to entire process of 3 meetings with a coach/facilitator followed by 1 evaluation meeting
- openly share ideas, thoughts, concerns with the whole group during our meetings with care and respect (and avoid sharing outside the meeting in ways that do not promote health of the process)
- read, study, and engage any materials the coach brings during the process
- commit to an openness to change or to do something new for greater health of the church
