

PRESBYTERIAN COMMITTEE ON THE
**Self-Development
of People**

Together we can!

Projects Wanted:

- To benefit poor and oppressed people

Projects Must Be:

- Initiated by the people
- Controlled by the people
- Benefiting the people

The Self-Development of People of the Albany Presbytery (SDOP) seeks proposals for projects initiated, controlled and benefited by people who are economically disadvantaged or oppressed and who are trying to improve their own lives. If your group has a project that you think qualifies to be funded, please contact the following for information:

Our Mission

The Self-Development of People is a ministry which affirms God's concern for humankind. We are Presbyterians and ecumenical partners, dissatisfied with poverty and oppression, united in faith and action through sharing, confronting and enabling. We participate in the empowerment of all economically poor, oppressed and disadvantaged people who are seeking to change the structures perpetuating poverty, oppression and injustice.
